**VEGAN FESTIVAL – LET’S GO GREEN AT
C.P.R. ENVIRONMENTAL EDUCATION
CENTRE, CHENNAI – 17, 18 & 19, FEBRUARY
2023**

C.P.R. Environmental Education Centre (CPREEC) is a Centre of Excellence in Environmental Education. It was set up in the year 1989 by the Ministry of Environment and Forests, Government of India and the C. P. Ramaswami Aiyar Foundation.

CPREEC with the support of the Karuna Foundation is implementing a project titled **Food and the Environment – Eat Healthy and Go Green** in the states of Tamil Nadu, Andhra Pradesh, Karnataka, Telangana and Odisha.

Livestock farming has a vast environmental footprint. It contributes 18% of greenhouse gas emissions worldwide. Climate crisis is evident. Milk producing cows are artificially

inseminated. Every sip of milk has 59 different powerful hormones which are harmful to human health. In order to help mother Earth out of climate crisis, we can substitute milk by consuming calcium and protein rich leafy vegetables, lentils, legumes, green soya, soya beans, mushroom, etc.

To highlight the importance of **Veganism**. CPREEC has organized the second **Vegan Festival – Let’s Go Green at the C.P. Art Centre, 1 Eldams Road, Alwarpet, Chennai 600 018 on February 17, 18 and 19, 2023.**
